

Virtual study trip on waste and recycling management

Information program & B2B-opportunities, 22.-24. September 2020

Tuesday, 22. September 2020 – Block I: concepts and trends for the recycling economy	
09:30 – 10:00 am	Registration of the participants in the web-platform
10:00 am	Official Welcome and Opening of the virtual fact-finding mission <i>Mario Buisán, Embassy of Spain in Berlin</i>
10:05 am	Foreign Trade Promotion - Export Initiative for Environmental Technologies <i>Christine Horn, Senior Adviser for Climate Change and International Environmental Policies, Federal Ministry for Economic Affairs and Energy</i> www.bmwi.de
10:10 am	Waste & Recycling Management in Germany – Overview <i>Isabelle Henkel, General Manager, German Association for Waste Management.</i> www.dgaw.de
10:25 am	Waste separation in practice – Introduction of the Berliner Stadtreinigungsbetriebe <i>Dr. Thomas Klöckner, Public relations manager, Berliner Stadtreinigungsbetriebe AöR</i> www.bsr.de
10:45 am	Presentation of the German technology suppliers in the segment of digitalization & logistics <ul style="list-style-type: none"> • Access control systems and smart level measurement <i>Marilyn Hoffmann, Sales assistant, emz - environmental technology GmbH</i> www.emz-et.com • Digitalization and smart systems for waste management <i>Gerolf Wölfert, Head of sales, c-trace GmbH</i> www.c-trace.de • The emission-free waste vehicle with electromobility and hydrogen propulsion <i>Christophe Bigre, Commercial Director, SEMAT Group ZOELLER</i> www.zoeller-kipper.de // www.semat.com
11:15 am	Discussion and Q&A with the participants from Spain, the speakers and the German companies
Approx. 11:30 am	End of Block I
11:30 - 12:00 am	Optional: individual questions & B2B-meetings with the German Companies
Wednesday, 23. September 2020 – Block II: Increase in value of recycling through effective separation	
09:30 – 10:00 am	Registration of the participants in the web-platform
10:00 am	Zero-waste concepts and circular economy <i>Burkart Schulte, Center for Research, Education and Demonstration in Waste Management e.V. (CReED)</i> www.creed-ev.de
10:15 am	Virtual plant tour of an innovative pilot plant for recycling management of the CReED-network via video
10:30 am	Presentation of German suppliers in the segment of waste collection, fragmentation and separation <ul style="list-style-type: none"> • Plant solutions for the recycling and separation of different waste materials <i>David Pintre, International Sales, Sutco Recyclingtechnik GmbH*</i>

Organizer

Deutsche Handelskammer
für Spanien
Cámara de Comercio Alemana
para España

	<p>www.sutco.de</p> <ul style="list-style-type: none"> • Magnetic separation und sensorial sorting <i>Luis Funes, STEINERT GmbH</i> www.steinertglobal.com • Value-adding Treatment of plastic waste (grinding & shredding plants, washing-, seperation-& drying plants) <i>Martin Ritzka, Herbold-Meckesheim GmbH</i> www.herbold.com
11:15 am	Discussion and Q&A with the participants from Spain, the speakers and the German companies
Approx. 11:30 am	End of Block II
11:30 - 12:00 am	Optional: individual questions & B2B-meetings <i>with the German Companies</i>
Thursday, 24. September 2020 – Block III: From waste to an energy source	
09:30 – 10:00 am	Registration of the participants in the web-platform
10:00 am	<p>Production of substitute fuels through mechanical-physical stabilisation of residual waste</p> <p><i>Dr. Beate Vielhaber, Head of Department Projects/Engineering, Berliner Stadtreinigung AöR</i> www.bsr.de</p>
10:45 am	<p>Presentation of German suppliers in the segment of thermal and energetic utilization</p> <ul style="list-style-type: none"> • High-performance presses for the industrial briquetting of waste materials <i>André Schmidt, Managing Director, ATNA Industrial Solutions GmbH</i> www.atna-solutions.com • Exhaust air treatment, odor elimination,biological filters, activated charcoal, washers <i>Cadima Raissa, Project Engineer, Tholander Ablufttechnik GmbH</i> https://tholander.de • Special waste treatment (vacuum-drying, high temperature applications) <i>Alejandro Castilla, Sales & Project Management, econ industries services GmbH</i> www.econindustries.com
11:15 am	Discussion and Q&A with the participants from Spain, the speakers and the German companies
Approx. 11:30 am	End of Block III
11:30 am - 12:00 pm	Optional: individual questions & B2B-meetings <i>with the German Companies</i>
12:00 – 12:30 pm	Final discussion with the Spanish participants of the digital fact-finding mission
Thursday, 24. September 2020 – match-making with German companies	
03:00-05:00 pm	Virtual B2B-Meetings with German Companies according to the individual agenda (approx. 20 min per Meeting)
05:00 pm	End of the digital fact-finding mission

* = not yet confirmed

(Date 21/09/2020)

Speeches will be held in english and spanish without translation
